

BUYING SCRIP JUST GOT EASIER!

Beginning the week of September 26th, families will have the ability to place a Scrip order online and pick it up at on your child's CCD night using an online ordering system that allows us to track orders, inventory and family tuition accrual amounts in one program. The program is called **Shop With Scrip**. You may choose to pay online at the time of ordering (must have a PrestoPay account set up ahead of time) or by cash/check when picking up your order at CCD pickup. Information on PrestoPay accounts can be found on the [shopwithscrip](http://shopwithscrip.com) website.
